

FORT WORTH CHAPTER NEWS

American Society of Safety Engineers

August 2, 2017

Introducing the 2017 Chapter Officers

President—Shawn Avelar
Vice-President/President-elect—Rick McCain
Treasurer—Johnny Srader
Secretary—Travis Lane
VP-Communications—Lindsay McLaughlin

Please keep in mind next year we will be holding elections for the VP position. You must participate in chapter activities to receive nomination.

Thank you Tarrant County College for helping us last month! It was a great facility and we look forward to coming back for more meetings in the future.

The PDC Speaker Series Continues on August 15th with Grace Bannon as the speaker.

This will be Grace's first interaction with the ASSE. She is a third year Doctor of Philosophy student and Instructor of Record at Texas A&M University. She has done some great work and presented at numerous conferences about building healthy teams and functioning groups through communication.

Calendar of Events

August 15

Grace Bannon, MA
Texas A&M
Managing Groups through
Effective Communication
11:30-1:00

Today
Register for the Region
Three Professional Development
Conference

Tomorrow
Tell a friend or vendor
about the Region Three
PDC.

Region PDC Update

To learn more about the conference go to

www.regionthreepdc.com

This is our chance to demonstrate to the region that the top safety professionals can be found here.

Please share the site with non-ASSE members that may be interested. The costs are the same for anyone who would like to attend.
